c. Referred to a cable from the Senior Representative, [REDACTED] concerning [REDACTED] and directed that a reply be sent to [REDACTED] covering the following points: (1) [REDACTED] would be terminated upon return to the U.S. (2) while Headquarters appreciates the desire to "straighten out" an officer, time should not be taken to do so overseas since it was not his (DCI's) desire to temporize or reserve judgment at points of impact; (3) in any case where an officer of this Agency shows signs of indiscretion, instability, poor performance of duty, etc., such officer should be returned to Headquarters immediately where determination would be made as to his retention since it was not desirable that such determination be made by our overseas stations. After some further discussion, the DCI directed that a cable be sent to all senior representatives and station chiefs advising them of the above policy. *Done*
